

Since the Constitution doesn't allow prayer in schools, crosses in government buildings, etc, WHY can't you leave our FM translator service alone!!! We LOVE to listen to K-LOVE, and by forcing them off the air, hundreds of thousands of K-LOVE listeners will lose their favorite station! I personally do not change my radio station at ALL. I am repulsed by the music and discjockeys on regular radio stations. There are no morals on those stations. It's all about the 'bottom line' for them, but NOT for K-LOVE. K-LOVE serves up so many positive aspects of life.....there's not enough room here to list them all. I know many people who PRAY when they hear certain songs.....it lifts the hearts of people who are burdened by 'life'.....it teaches the smallest, youngest listeners about a relationship with the Lord.....PLEASE do not remove the FM translators! Thank you for your consideration! Debbi Malwick
